
PEDAGOGICAL INSTITUTE

PSYCHOLOGY

The program focuses students on the following aspects:

- psychological processes and states manifested in people's activities and behavior;
- the formation of a holistic view of the processes and phenomena occurring in society;
- formation of skills and abilities to apply modern methods of collection and analysis of information when solving specific tasks

Students acquire the skills of modern work organisation, including computer methods for the collection and processing of scientific information.

ENTRY REQUIREMENTS

Admission of foreign citizens to study under contracts for the provision of educational services is carried out on a competitive basis (based on the results of entrance tests conducted by the university).

APPLICATION

Application for acceptance of documents for enrolment (by mail).

Consent to the processing of personal data of the applicant.

Letter of consent

Identity document, citizenship.

Academic degree

Documents confirming the individual achievements of the applicant.

An agreement on the provision of paid educational services (for admission on a contractual basis).

PROGRAM STRUCTURE

The basic curriculum implies a consistent deepening of general erudition, expansion of knowledge in general professional disciplines "General Psychology" (studied for 3 semesters), "Experimental Psychology" and "Clinical Psychology". The deepening of knowledge and skills is provided by practice-oriented courses of elective disciplines. The "Psychological Support of Persons with Deviant Behavior" includes such disciplines as: "Health Psychology"; "Psychology of deviant behavior"; "Social work with deviant adolescents", "Prevention of addictive behavior"; "Psychological and pedagogical support of families with a deviant child", etc.

The main types of learning activities are lectures, practical classes. Internships and coursework provided in each semester.

CAREER OPPORTUNITIES

Graduates can use their knowledge and skills as professional psychologists, counsellors and human resources managers.
