PROGRAM STRUCTURE

The structure of the Bachelor's program includes a compulsory part (basic) and the part formed by student (variable). This provides the opportunity to implement Bachelor's degree programs with a different focus (profile) of education within the same field of study.

The Bachelor degree program consists of the following blocks: Block 1 "Disciplines (modules)", which includes disciplines (modules) related to the basic part of the program (Humanities module:

History of Russia, Philosophy, Law, Sociology, Russian language and culture of speech, Foreign language, etc.) and disciplines (modules) related to its variative part (Drawing, Painting, Composition, Descriptive Geometry, Basics of arts and crafts, Drawing, Sculpture, Multiplication and computer animation, Basics of site building and Web-design, etc.).

Block 2 "Practices", which fully belongs to the variative part of the program (Awareness-raising practice (plenary), Pedagogical practice, Technological (design-technological) practice.

Block 3 "State Final Attestation", which fully belongs to the basic part of the program and is completed with the qualification specified in the list of specialties and areas of higher education approved by the Ministry of Education and Science of the Russian Federation

CAREER OPPORTUNITIES

Bachelors are prepared to work in the secondary education system, in cultural institutions, the system of pre-professional and additional education, have the opportunity to enter the master's program.
