ENTRY REQUIREMENTS

Admission of foreign citizens to study under contracts for the provision of educational services is carried out on a competitive basis (based on the results of entrance tests conducted by the university).

APPLICATION

Application for acceptance of documents for enrolment (by mail).

Consent to the processing of personal data of the applicant.

Letter of consent

Identity document, citizenship.

Academic degree

Documents confirming the individual achievements of the applicant.

An agreement on the provision of paid educational services (for admission on a contractual basis).

PROGRAM STRUCTURE

The curriculum contains two main blocks: a compulsory part and a part formed by the participants of the educational relations. In years 1-2, students study the disciplines of humanitarian and health saving modules, as well as master the module on physical education and sport. Disciplines, combined within the framework of psycho-pedagogical and theoretical-methodological modules, are studied in years 1-4. Students study two foreign languages. English is the main one; German (annual intake), Italian, Spanish and Chinese (periodical intake; to be specified annually when admission quotas are approved) are available as a second language.

CAREER OPPORTUNITIES

After completing the program, Bachelor's graduates are prepared to solve teaching tasks in basic general, secondary general and secondary vocational education.
