INSTITUTE OF ECONOMICS AND MANAGEMENT

# ECONOMICS

Profile "Organization and management of foreign economic activity of the enterprise" is designed to prepare highly qualified personnel in the field of international business, foreign economic activity. The sphere of activity of graduates covers: economic, financial, marketing, industrial-economic and analytical services of organizations. Graduates have a wide range of professional competencies, they can easily adapt to the changing trends of the labor market. A special place is given to foreign language learning.

The lack of narrow specialization makes it possible to obtain professional training that gives the opportunity to work in various sectors and spheres of the economy.
